PLASTIC SINGLE BARB

Y-U SERIES

The Y-U Series is an ultimate Wye tube fitting. This series has equal single barbs and is designed to work with a wide range of tubing types and sizes. It is available in Nylon or Polypropylene. Barb sizes are 3/8 inch, 1/2 inch, 3/4 inch, and 1 inch. These Wyes are used in medical and laboratory environments.

SKU	Description
Y-U-6B-NN	3/8 inch Natural Nylon Single Barbed Wye Connector
Y-U-6B-NPP	3/8 inch Natural Polypropylene Single Barbed Wye Connector
Y-U-8B-NN	1/2 inch Natural Nylon Single Barbed Wye Connector
Y-U-8B-NPP	1/2 inch Natural Polypropylene Single Barbed Wye Connector
Y-U-12B-NN	3/4 inch Natural Nylon Single Barbed Wye Connector
Y-U-12B-NPP	3/4 inch Natural Polypropylene Single Barbed Wye Connector
Y-U-16B-NN	1 inch Natural Nylon Single Barbed Wye Connector
Y-U-16B-NPP	1 inch Natural Polypropylene Single Barbed Wye Connector

VC-TB SERIES

Single barb, triple-leg vacuum connector. It is made of natural Nylon and has 5 equal barbs of 3/16".

SKU	DESCRIPTION
VC-TB-3B	3/16 Barb Triple Leg Vacuum Connector

USTA SERIES - UNF BARB ADAPTER

Male UNF straight thread Adapter with 5/32" barbs. It is made of Acetal.

SKU	DESCRIPTION
USTA-1220-POM	1/2-20 UNF Thread by 5/32 Barb Acetal
USTA-3824-POM	3/8-24 UNF Thread by 5/32 Barb Acetal
USTA-71624-POM	7/16-24 UNF Thread by 5/32 Barb Acetal
USTA-91618-POM	9/16-18 UNF Thread by 5/32 Barb Acetal

T-W SERIES

The T-W Series is a precision, equal single barbed tee connector. These tees are made of White Nylon or Polypropylene. Barb sizes are: 1/16 inch, 3/32 inch, and 1/8 inch.

SKU	Description
T-W-18NPP	1/8 inch Natural Polypropylene Single Barbed Precision Tee Connector
T-W-18-WN	1/8 inch White Nylon Single Barbed Precision Tee Connector
T-W-1B-NPP	1/16 inch Natural Polypropylene Single Barbed Precision Tee Connector
T-W-1B-WN	1/16 inch White Nylon Single Barbed Precision Tee Connector
T-W-332-NPP	3/32 inch Natural Polypropylene Single Barbed Precision Tee Connector
T-W-332-WN	3/32 inch White Nylon Single Barbed Precision Tee Connector

GEN1 SERIES BARBED FITTINGS

GEN1 Series, manufactured by Pneuline, are single barbed plastic fittings without a parting line on the barb. Can be molded from Natural Nylon, White Nylon, Black Nylon, Glass-Filled Black Nylon, USP Class 6 PVDF, USP Class 6 Polypropylene, High Density Polyethylene, Acetal NSF 51/61, USP Class 6 Polycarbonate, and Radiation Stable Polycarbonate. Other materials and variations of style are available to comply to customer specifications and requirements. Available in Tees, Elbows and straight connections.

Some materials have specific characteristics such as:

- Black Nylon is UV resistant, making it good for outdoor use.
- Glass-Filled Nylon is stronger than regular nylon and doesn’t absorb liquids, making it good for use where water is prevalent. Glass-Filled Nylon is also good for outdoor motor vehicles, such as motorcycles, boats, and cars.
- PVDF, Polypropylene, and Polycarbonate are all Class 6 USP and are good for medical and biopharmaceutical applications. These materials are bovine free and are non-leachable.
- Acetal is NSF 51/61 listed and can be used for potable water and food applications.

The GEN1 Series is available in Elbow, Tee, and Straight configurations with barb sizes of 3/16 inch, 5/16 inch, 1/4 inch, 3/8 inch, and 1/2 inch. All configurations have a single barb with no parting line, giving it a leak-proof seal.
