

## **PLASTIC GARDEN HOSE ADAPTERS**

Explore our collection of plastic garden hose adapters—perfect for achieving the right fit! Whether you're splitting water flow, extending hose length, or repairing leaks, we have the reliable connectors you need to keep your system running smoothly. Browse now and find your ideal connection!

#### **GHT SERIES**

Take control of your water flow with the GHT Series Male Garden Hose, designed for maximum durability and reliability. Featuring dual barbed fittings, this powerhouse ensures a secure, leak-proof grip for high-performance fluid transfers. Constructed from rugged Nylon or Black Polypropylene, it's built to withstand the elements and deliver consistent strength in demanding applications. Available in 3/8", 1/2", 5/8", and 3/4" barb sizes, this hose is ready for action in both residential and commercial setups.

### **MGHF SERIES**

The MGHF Series connects male garden hose threads to female NPT fittings for secure, leak-free performance. Available in 1/4", 1/2", and 3/4" FNPT sizes, it's made from durable Nylon or Black Polypropylene for long-lasting strength and chemical resistance.
